

Lesson 1: Geography of South Asia

Directions: Label the map by writing the number of each place listed below on the map where it is located. You may use your textbook or a map of South Asia.

- | | | |
|------------------|---------------------|-----------------------|
| 1. Himalayas | 7. Afghanistan | 12. Indian Ocean |
| 2. Mount Everest | 8. Bangladesh | 13. Indo-Ganges Plain |
| 3. India | 9. Sri Lanka | 14. Deccan Plateau |
| 4. Pakistan | 10. Maldive Islands | 15. Eastern Ghats |
| 5. Nepal | 11. Hindu Kush | 16. Western Ghats |
| 6. Bhutan | | |

South Asia

Notes for Home: Your child learned about the geography of South Asia.

Home-Activity: With your child, use the map and information in the lesson to compare and contrast the geography of South Asia with the geography of the United States.
